5 Days of War (MA15+)
Filmed (spectacularly) on location in Georgia, this fictitious account of the August 2008 conflict between Georgians and Russians over South Ossetia is extremely well staged but questionable in its unthinking adoption of pro-Georgian propaganda. Purporting to be about the dangers faced by news

Pick of the week

Side to One

A new contemporary dance work, choreographed and performed by Lisa Griffiths and Craig Bary, pictured, explores ideas of soul mates

Price \$29
